Qualifiers for next Swiss Championships, the ICTskills2025

The following number of candidates are allowed in each skill:

- A total of 25 candidates per each of the 5 skills
- 3 positions reserved for skill-medalists from the last ICTskills
- **22 skill-candidates from Regional Championship of the current and last year (11 from each year)**

The qualified candidates from this year's Regional Championship are highlighted in green in the rankings on the following pages. Out of these participants, the candidates for the next WorldSkills Championships (WSC) are recruited. The assessment is taking place in October 2025. (Note: Unfortunately, WorldSkills International does not offer a WSC skill for mediamatics).
